

### Business Clinic At El Camino To Open Tuesday

"Increase of Sales by Making the Store Attractive," is to be the topic of the third in a series of Business Clinic meetings to be held at El Camino College, Tuesday, March 10, at 7:30 p.m., Dr. Jack Martin, moderator of the series, said yesterday.

"Members of our panel," Martin said, "will include Ed Stevenson, sales manager of the store fixture division of the Weber Showcases Co.; L. E. Jones, district manager of Edison Electric Co.; and Jack Hauer, district salesman of the Armstrong Cork Co."

The entire series, Martin said, is open to any interested business people who may wish to attend. The meetings are being held in room LS-7 on the campus.

"The meeting next Tuesday will cover the importance of store modernization, store exteriors and interiors, the selection and use of store fixtures and equipment, and other related topics," Martin said. "Future meetings will deal with problems in connection with credits and collections; fraud, shoplifting and bad checks; and problems of purchasing."

### THE TEE VEE CORP. STORY

Thank you dear Customer. Your response to our Television sale was terrific. We are glad you could take advantage of this sale. We still have a few odd numbers for sale—you late comers won't get the best choice but we still have some 300 or more Televisions from which to make your selection. Don't get us wrong we don't handle just any brand of television. Our efforts are limited to only the highest quality television manufactured. Yes, top brands and we mean top brands like RCA - Admiral - Philco - Dumont - Emerson - Packard - Bell & Hoffmans. Yes those are the brands that have done so well for their makers. We have tried to be in keeping with the times too—we believe we have the finest television service department—second to none in the Los Angeles area. Trying to maintain the same quality of service as the sets that we represent. We won't promise you television at 1/2 price either—but we will say that you can get the best deal in town here—that is on quality merchandise because we are volume dealers and are out of the high rent districts. That kind of merchandising has built us up to a million dollar business in four short years. We are happy and thankful to win the confidence of so many customers. Again let us repeat, where in Los Angeles can you find a better lineup on any one item - RCA - Admiral - Philco - Dumont - Emerson - Packard Bell and Hoffman. When we advertise or sell you a television it won't be just "A Famous Brand" - It will have a name and it will be backed up by the integrity of that name.
